Homework 1 feedback

19/20

1. Good!

2. (1/2) For (d), the given function *does* pass the horizontal line test if we only consider the graph for x in $[0, \infty)$.

3. Good!

4. Good!

5. Good!

6. Good! (Although, we haven't discussed L'Hospital's Rule yet. . . :eyes:)

7. Good!

8. Good!

9. Good!
